

## Consent to use audio-visual material

**Event:** \_\_\_\_\_

I give permission for the Australian Association for Research in Education (AARE) to use my

- image (photography/video recording); and/or
- biography; and/or
- abstract;

for marketing and promotional material associated with the identified event. Please note, this release is **not** referring to the university brand, only your personal image.

These will include, but may not be limited to, the following marketing and promotional material:

- media, social media (Facebook, Twitter, You Tube), flyers, and website marketing etc. to the wider public;
- information to members and delegates via handbooks, flyers, website, PowerPoint etc.; and
- a recording of your presentation which may be made available via our website.

To facilitate these processes, we ask that you also provide us with your Twitter and/or Facebook name (e.g. @AARE) or the URL linking to your social media (e.g. <http://facebook.com/aare>). We are also able to tag your university if you provide us with their social media information, and if you do this will assume that you have permission to do so.

Your consent, or otherwise, should be given by signing and returning the form below. If you wish to consent to some of the uses above only, please be specific in the 'Exclusions' below.

Should you wish to withdraw your consent at any time in the future, please inform AARE in writing, via email. AARE will arrange for your image, recording and information to be withdrawn from the website, social media, and You Tube, where possible.

Thank you for agreeing to be involved in this AARE event.
